PRODUCTS

FISHER

PureSoffit Series™

Offered in both a modern square edge Finline and classic V Groove profile Fisher's Pure Soffit is produced in a wide range of colours and is the ideal option to beautify your project as either an exterior soffit or interior ceiling/wall covering.

Fisher factory applies our environmentally friendly low VOC coatings using our proprietary Complete Coverage System to ensure all surfaces, including the tongue and groove, are properly covered and beautifully protected.

Fisher's complete coverage process helps ensure trouble free installation and a longer lasting fit and finish.

Pure Soffit is available in British Columbia milled end matched 1x4, 1x6 & 1x8 STK KD Pine and is ideal for a wide range of Single Family, Multi-Family and Commercial Projects.
